

Hey a2A Members! Earn rewards for taking care of yourself!

Even though you're not in Foster Care anymore, you still have STAR Health insurance through Superior HealthPlan until you're 21. Superior wants to encourage healthy habits. So we created the CentAccount® Rewards program just for you.

Members can earn up to \$135 a year for:

- \$25 for getting your initial Texas Health Steps, also known as Early and Periodic Screening Diagnostic and Treatment (EPSDT), checkup when completed within 30 days of your 18th birthday.
- \$10 for completing a general health screening.
- \$30 for each dental exam (up to two exams per year).
- \$20 for getting your annual well-woman checkup (females only).
- \$20 for getting an annual flu shot (one per flu season, September through April).

The money you earn from participating in the program will be loaded on a CentAccount Rewards Visa® Prepaid Card. The card can be used toward groceries, personal care items, books and even utility bills. Get preventive healthcare and make some extra money at the same time!

Your card may not be used everywhere Visa debit cards are accepted. See Cardholder Agreement for complete usage restrictions. The CentAccount Rewards Visa Prepaid Card is issued by The Bancorp Bank pursuant to a license from Visa U.S.A. Inc. The Bancorp Bank; Member FDIC.
