Superior HealthPlan's STAR Health is a health care program for children and young adults in foster care across the State of Texas. Superior works with many doctors, clinics, and hospitals in your community to give the member the medical care needed. This directory lists the ones that are part of the Superior Provider Network.

Choosing Your Primary Care Provider (Doctor)
Choosing your own Primary Care Provider is easy with Superior. Just pick one for you and one for each eligible family member from the list in this book. Each member can pick his or her own Primary Care Provider. If you are a woman, you may be able to choose an obstetrician (OB) or gynecologist (GYN) as your doctor. Once you have picked a doctor, call Member Services at **1-866-912-6283**.

If you need help or don't see your doctor on this list, call Superior's Member Services at **1-866-912-6283**.

Choosing an OB/GYN
You may choose any OB/GYN doctor from the Superior Provider Network to take care of your female health care needs without a referral from your doctor. Ophthalmologist or Therapeutic Optometrists
All members may select an in-network ophthalmologist or therapeutic optometrist to provide eye health care services, other than surgery, and have access without a doctor referral to eye health care services from a network specialist who is an ophthalmologist or therapeutic optometrist for non-surgical services. To find an ophthalmologist or therapeutic optometrist, call Superior Member Services at **1-866-912-6283**.
