

STAR Health Extra Benefits and Services

Superior HealthPlan provides extra benefits and services for STAR Health members. These are called **Value-added Services.*** This means members can get:

Expanded vision benefits providing prescription glasses or \$100 towards the cost of any features or frames not covered by Medicaid.

Small cash grants, called Care Grants, that may be used for items like art supplies, clothing or other personal items.

a2A CentAccount® Rewards Program offering rewards dollars for members completing wellness visits, dental checkups and other health screenings for members ages 18 through 20 years old.

Up to \$25 towards a Boys and Girls Club of America membership for members ages 6 through 17 years old.

\$30 every quarter for over-the-counter items through a mail order program.

Sports or camp physicals for members ages 4 to 18 years old.

Superior is always planning new and exciting programs and services to help keep you/your child healthy. If you need help in getting these extra services or would like more facts, call Superior at 1-866-912-6283.

*Restrictions and limitations may apply.
These services are valid from 9/1/17 through 8/31/18.
